Snow Emergency / Parking Ban

Due to the current winter storm watch issued by the Cleveland Office of the National Weather Service, the Mayor has declared a snow emergency. This shall remain in effect from 12:00 p.m. (noon) Friday, January 12th, 2018 until 12:00 p.m. (noon) Sunday, January 14th, 2018.

During such emergency as stated in Section 351.14 of the City of Cortland's Codified Ordinances: No person shall park or cause to be parked or permit to suffer to remain parked any vehicle on City streets, with the exception of Main Street between State Route 5 and State Route 46 between the hours of 8:00 a.m. and 9:00 p.m. during any time or period when a snow emergency condition is declared.

Residents should refrain from parking on the streets while there is an accumulation of snow on the roadways. This will allow the road crews to safely perform the snow removal duties and address safety of motorists using the roadways.
