

A RESOLUTION AUTHORIZING ODOT TO CONDUCT BRIDGE INSPECTION PROGRAM SERVICES, UNDER ODOT PID NO. 109334, WITHIN THE CORPORATION LIMITS OF THE CITY OF CORTLAND, OHIO

WHEREAS, the State has identified the need in the City of Cortland for the following project:

Bridge Inspection Program Services, including, but not limited to routine inspections, element level inspections, critical-findings reports, fracture critical member inspections, load rating calculations and reports, weight limits posting sign recommendations, scour assessments, scour plan of actions, development of fracture critical plans, and underwater dive inspection reports if needed.

WHEREAS, the Council of the City of Cortland in Trumbull County, Ohio, agrees that there is the need for Bridge Inspection Program Services, known as ODOT PID No. 109334, and is hereinafter referred to as the Local Public Agency, (LPA) for the project.

NOW, THEREFORE,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF CORTLAND:

Section 1. Consent Statement

Being in the public interest, the LPA authorizes participation in the Bridge Inspection Program and gives consent to the Director of Transportation to complete the above described services within the City.

Section 2. Cooperation Statement

The LPA shall cooperate with the Director of Transportation in the above described project as follows:

The State shall assume and bear 100% of all of the cost for Bridge Inspection Program Services requested by the City and agreed to by the State. Eligible Bridge Inspection Services are described in the Consultant’s Scope of Services Task Order Contract (Exhibit A).

The LPA agrees to pay 100% of the cost of those features which are not included in Exhibit A. Those features may include but are not limited to the purchasing and erecting of recommended weight limits postings signs, the implementation of critical findings reports such as partial or total bridge closures, and the implementation of the scour plan of actions. The LPA acknowledge that when recommendations affect public safety, ODOT expects full implementation by the LPA. Starting in October 2019, the Federal Highway Administration (FHWA) requires installing weight limits posting signs within 30 days from the official date of the approved recommendations. The LPA acknowledges timely implementation is essential to the success of this program.

Section 3. Utilities and Right-of-Way Statement

The LPA agrees that all utilities and right-of-way required for the services described in this project will be made available in accordance with current State and Federal regulations.

Section 4. This Resolution shall take effect and be in full force as early as allowed by law.
